## **Other concerns:**

- ⇒ **Please tell your fans, boosters, and parents not to approach officials during, before, or after games. The head coach should be the only person to have contact with officials. If parents or others do approach the officials they may be asked to leave and not return to the tournament.**
- ⇒ **If you have any concerns about officials, management etc. please contact the tournament director (Chris Howard) as soon as possible so that any problems can be resolved.**
- ⇒ **In order for us to keep costs down we do not utilize district janitorial services during the summer. That means that the Palm Springs Basketball program is responsible for cleaning the gym each day. Please inform parents and players not to leave trash on the bench or bleacher area and to utilize the trash cans inside the gym. This will save us hours at the end of each day.**
